Collection of empty packing material, labelling, storage on site for the duration of the exhibition, warehousing in/out redelivery after the closing of the exhibition, including all extra and supplementary charges per packing piece and m³ EUR 45,50 + VAT.(minimum 2 m³)

Note:

- Empties are completely empty packaging items. All packaging materials must be transportable, if necessary bundled together, and be made available for pick up from the stand. No liability is accepted for any goods / materials left inside any empty packaging materials.
- All empties must be marked with the company's address, hall and stand-no. Otherwise, a proper return delivery cannot be guaranteed.
- The information above will be urgently required for a proper handling. Please complete accurately.
- For orders for empty packaging storage which are placed after 10 a.m. on the last setting-up day, Panalpina will charge a supplement of 50 % on the applicable tariff because of the additional work involved. The same applies to orders placed at the correct time, but where, by the end of the normal setting-up period, the empty packaging has not yet been made ready for collection by the client.
